224. (New) The disk of claim 176 wherein the light-sensitive compound is less than about 160 nm in thickness.

---

**REMARKS**

Please enter the above-amendment prior to examination of the above-identified application.

Claims 1-84 were previously pending in this application and have now been cancelled. Claims 85-224 have been added and are pending for examination, of which claims 85, 111, 131, 136, 176, 205, 208, 210 and 215 are independent. The claims as now presented are believed to be in allowable condition.

**CONCLUSION**

In view of the foregoing amendments and remarks, this application should now be in condition for allowance. A notice to this effect is respectfully requested. If the Examiner believes, after this amendment, that the application is not in condition for allowance, the Examiner is requested to call the Applicant's attorney at the telephone number listed below.

If this response is not considered timely filed and if a request for an extension of time is otherwise absent, Applicant hereby requests any necessary extension of time. If there is a fee

occasioned by this response, including an extension fee that is not covered by an enclosed check, please charge any deficiency to Deposit Account No. 23/2825.

Respectfully submitted

*SELINFREUND, et al., Applicant*
